My apologies Miguel. The Music Department does indeed not have any objections to the Honors College teaching MUL 2010 going forward.

Dear Kevin,

First of all I want to thank you for recommending Dr. Peña to us to teach Appreciation of Music. He has done a great job, and he is well liked by the students. In that context, we would like to continue offering MUL 2010 once a year at the Honors College. According to Maria Jennings in the Office of the Registrar, since the Honors College does not "own" MUL 2010, we have to "borrow" it from you in order to offer it here on a regular basis. To this end I have been working with Dr. Peña to develop an honors version of MUL 2010, with its corresponding paperwork (syllabus and new course proposal attached). Part of the process is for you to look at it, and send us an e-mail stating whether you have any objections to us teaching it at the HC. The Honors Council requires us to include a "Note on Honors Distinction" explaining why this is an honors version, which you can see on the first page of the syllabus.

I am copying to this e-mail Dr. Baima and Dr. Corr (cochairs of our Curriculum Committee), Dr. Earles (Associate Dean), and Dr. Peña, who has been working with me on this.

Looking forward to hearing from you, and Happy Thanksgiving.

M
