Hi Mike,

My bad- thought I had sent you another email, so thanks for the reminder.

All good from our end- while the program coordinators thought there was a little bit of an overlap with some of the areas, such as the government and finance lectures, there is no objection.

We also thought that this could be a good elective for some of our better students.

All the best with it and hope it goes through.

Best,  
Alka

Hello Alka,

Can I get a statement of no objection from you with regard to the course?

Thanks. Mike

Hi Mike,

Looks fine to me, but let me run this by my program coordinators and faculty and get back to you.

Best,  
Alka

Hello Alka,

One of our new profs, Katharina Rynkiewich, is proposing the attached course "Systems and Institutions in Anthropological Perspective." Does Public Administration have any comment or objection to Professor Rynkiewich proposing this new course? It will primarily be for our majors.

Best,  
Michael Harris
