Subject: RE: Combined program for Chemistry

Hi Maria:

Yes, I have been consulted by the Chemistry department. The proposal, with a minimum GPA admission requirement of 3.25, is fine to move forward.

Best,
Debra

Subject: Combined program for Chemistry

Hi Deb,

Hope you are well. Did Chemistry reach out to you about the attached combined program? It is on the agenda for UUPC's Monday meeting, but also on the agenda for UGPC's meeting tomorrow.

Thanks,
Maria
