Chair, University Undergraduate Programs Committee (UUPC)

FROM: Dr. Mary Ann Gosser  
Chair, University Honors Council (UHC)  
University Honors Director

A handwritten signature in black ink, appearing to read 'Mary Ann Gosser', is written over the 'FROM' field of the memorandum.

DATE: 17 March 2023

RE: Changes to Environmental Science and Environmental concentrations and minors (WHC)

As per FAU's Honors Curriculum Manual, these changes to these concentrations and minors (eliminate a required course and decrease required number of credits for the concentrations) were submitted to the Wilkes Honors College Undergraduate Programs Committee. The proposal was then discussed and approved by the University Honors Council on 17 March 2023 with the provisos that the new/change program request form be amended to include Minors (under Program Name as well as when referring to the sentence in the explanation that currently only refers to the concentrations and not the minors) and that the reduction of three credits is mentioned in the explanation section.

We are now asking the UUPC to consider these changes to these concentrations and minors and give them approval for inclusion in the catalog. Thank you.
