RE: PHY 2049L H General Physics Lab 2 (WHC)

As per FAU's Honors Curriculum Manual, these changes to the prerequisites were submitted to the Wilkes Honors College Undergraduate Programs Committee. The proposal was then discussed and approved by the University Honors Council on 17 March 2023 with the following provisos added to the course change request form: that under "Change prerequisites/minimum grades to:" the following be added, "pre or corequisite to PHY 2049 or PHY 2054 with a minimum grade of 'C'."

We are now asking the UUPC to consider these changes and give them approval for inclusion in the catalog. Thank you.
