## UNDERGRADUATE RESEARCH UNDERGRADUATE CERTIFICATE

*(Minimum of 12 credits required)*

To recognize undergraduate students' excellence in undergraduate research, the Office of Undergraduate Research and Inquiry (OURI) has established the Undergraduate Research Certificate. Requirements for the Research Certificate include completion of 12 credits of research exposure, skill-building and intensive courses as well as dissemination of the outcomes of students' research and inquiry through a research presentation or exhibition.

Degree-seeking undergraduate students may earn the Research Certificate by completing the following requirements.

1. 12 credits of coursework related to undergraduate research from the following:
  - a. Up to 6 credits of Intellectual Foundations Program (IFP) courses or Honors Core courses (for Wilkes Honors College students) at the Research Level including:

---

### **Research Exposure, IFP Courses Approved List**

Honors Introduction to Anthropology	ANT 2000	3
Life Science Lab or RI: Life Science Lab	BSC 1005L	1
Contemporary Chemical Issues	CHM 1020C	3
General Chemistry For the Health Sciences	CHM 2032	3
General Chemistry 1	CHM 2045	3
Honors Psychopathology	CLP 4143	3
Principles of Macroeconomics	ECO 2013	<b>3 or</b>
Principles of Microeconomics	ECO 2023	3

Disability and Society	EEX 2091	3
The Blue Planet	ESC 2000	3
Honors 20th Century Europe	EUH 2341	3
Honors Freshman Seminar in History	HIS 1933	3
Honors Ways of Knowing	PHI 2361	3
Honors Privacy	POS 3623	3
Introductory Statistics	STA 2023	3
Social Problems	SYG 2010	3

- b. Up to 3 credits of Research Skill-Building coursework in research methods from the approved list below.
  - c. At least 3 credits of Research-Intensive-designated courses and/or Directed Independent Research. Honors thesis and courses with honors compacts can substitute for the Research- Intensive designation.
2. Presentation at one of the FAU Undergraduate Research Symposia (Boca Raton, Broward and Jupiter), Senior Engineering Design Showcase, **College of Science Undergraduate Poster Competition**, or appropriate discipline-specific conferences, symposia, exhibitions, or showcases (internal or external), as approved by the University's Undergraduate Research Curriculum Committee. For internal symposia, students register for a zero-credit course: IDS 4914, Undergraduate Research Forum. For the Senior Engineering Design Showcase, students will receive credit for the dissemination of their research upon successful completion of one of the following courses: CGN 4804C, EGN 4952C, EOC 4804L or EML 4551 with a minimum grade of "C."

Additional stipulations include:

1. Courses that are taken S/U may count toward the certificate with a grade of Satisfactory; for courses with standard grading, students must complete the courses with a minimum grade of "C."
2. A maximum of 3 transfer credits may be applied to the certificate.

3. Course substitutions will be reviewed by the Undergraduate Research Curriculum Committee on a case-by-case basis.
4. Students should consult with the Office of Undergraduate Research and Inquiry and/or their undergraduate advisor for more information.

---
