Dr. Sorge,

I am pleased to inform you of the results of the Core Curriculum Committee (CCC) vote held on February 9, 2024, regarding Course Change Form approvals authorizing course description changes for the following courses:

AST 2002 – Introduction to Astronomy
BSC 1005 – Life Science
BSC 1010 – Biological Principles
BSC 2085 – Anatomy and Physiology 1
CHM 1020C – Contemporary Chemical Issues
CHM 2045 – General Chemistry 1
ESC 2000 – The Blue Planet
EVR 1001 – Environmental Science and Sustainability
GLY 2010 C – Physical Geology
MAC 1105 – College Algebra
MAC 2311 – Calculus 1
PHY 2048 – General Physics 1
PHY 2053 – College Physics 1
PSY 1012 – General Psychology
STA 2023 – Introductory Statistics

The committee approved these course request changes with the following recommendations:

- 1) The Course Change Form for PHY 2048 has a typo in the area “Effective Term/Year for Changes.” It reads “Fall 2023” and should read “Fall 2024.”
- 2) Course syllabi for BSC 1005, BSC 1010, BSC 2085, CHM 1020C, CHM 2045, GLY 2010C, PHY 2048, and PHY 2053 should include the IFP foundation descriptions and SLOs for the “Science and the Natural World” Foundation Area (see attached).
- 3) The course syllabus for MAC 2311 should include the IFP foundation descriptions and SLOs for the “Mathematical and Quantitative Reasoning” Foundation Area (see attached).
- 4) The IFP SLO section in the syllabus for STA 2023 should be updated to be consistent with the current “Mathematical and Quantitative” Foundation Area (see attached).
- 5) The PSY 1012 course syllabus should include the IFP foundation descriptions and SLOs for the “Society and Human Behavior” Foundation Area (See attached).
- 6) While the ESC 2000 course description provided on the Course Change Form aligns with the State's catalog definition of the course, the committee recommended conducting a grammatical review.

The attached IFP SLO descriptions referred to in items 2-5 can simply be pasted into the syllabi if you find that more convenient.

This communication serves as the official confirmation of the actions taken by the committee. If you have any queries or require further information, please do not hesitate to reach out to me. Please acknowledge receipt of this notification.

Best regards,

T.
