

Dear UUPC,

I am pleased to inform you of the results of the Core Curriculum Committee (CCC) vote held on January 25, 2024, regarding Course Change Request approvals authorizing course description changes for the following courses:

ANT 2410 Culture and Society
ANT 2410 Honors Culture and Society
EVR1001 Honors Environmental Science and Sustainability
HUM2020 Honors Introduction to Humanities
LIT2000 Honors Introduction to Literature
MUL2010 Honors Music Appreciation
OCE2001 Honors Introduction to Oceanography
PHI2010 Honors Introduction to Philosophy
POS2041 Honors Government of the United States

The committee approved these course requests with the following recommendations:

- 1) The Course Change Request for OCE 2001 has a typo in the area “Effective Term/Year for Changes.” It reads “Spring 2005” and should read “Spring 2025.”
- 2) The Course Change Request for EVR 1001 does not include an Effective Term/Year for Changes. It should include “Spring 2025.”
- 3) The EVR 1001, MUL 2010, PHI 2010 and POS 2041 syllabi should include the student learning outcomes outlined by the Core Curriculum Committee for their respective IFP foundation areas.

This communication serves as the official confirmation of the actions taken by the committee. If you have any queries or require further information, please do not hesitate to reach out to me. Please acknowledge receipt of this notification.

Best regards,

T.
