Subject: Honors College Minor Concentration in Spanish

Dear Eric,

Attached, please find the documentation we submitted to do some minor changes to our Minor in Spanish. After consulting with Mary Ann, as Chair of the Honors Council, we initially did not send the changes to you for comments because the changes do not imply any new courses or a change in the number of credits. But Mary Ann is now concerned that because all the other agenda items from the Honors College have letters of support from our counterpart departments in Boca, we should also have one from you. So, could you please send a note to Mary Ann (an e-mail will be enough) stating that you support these changes and have no objections?

Thank you in advance,
Miguel
