<p>Please explain the requested change(s) and offer rationale below or on an attachment.</p> <p>This new minor/certificate will provide artists, writers, and performers the entrepreneurial skills needed to forge their freelance careers. While our current curricula teach students how to practice their craft, they lack content as to how students can earn a living in doing so. This minor is meant for any student majoring in an arts or performance program, whose career trajectory is likely to follow the freelance model. As a certificate, it will draw community artists and performers who are in the same position.</p>

Description/ Information

The minor is available to all undergraduate degree-seeking students and may be earned upon successful completion of the coursework below and the simultaneous completion of a bachelor's degree at FAU.

The certificate is available to degree-seeking students, non-degree students, and working professionals. Students pursuing the certificate may apply for it in the College of Arts and Letters Office of Student Academic Services upon successful completion of the coursework.

Students cannot obtain both a certificate and a minor. Both programs require 12 credits each, with minimum grades of "C" required in all courses for the minor and certificate. For the minor, at least 9 of the 12 credits must be earned from FAU.

Timely Graduation: Minors and certificates should be considered an optional direction for elective credits. Students may not add a minor or certificate without permission from an Arts & Letters advisor (and main college advisor if different). Students are generally not permitted to add a minor/cert after earning 90 credit hours or if completing it will result in an Excess Hour Surcharge.
