Dear Rebecca,

History has no objection to this course, which looks very interesting.

All the best,

Doug

**Subject:** New course proposal: U.S. Politics of War

Dear Douglas (if I may), I'm the Director of the Undergraduate Program in Political Science. One of our faculty members, Robert Rabil (cc'ed), would like to propose a new course for inclusion in the undergraduate catalogue. The course is titled "U.S. Politics of War" and focuses on U.S. involvement in Iraq and Afghanistan. I don't believe there is any substantial overlap with courses in the history department since this topic will be approached from a political science perspective, but I wanted to reach out to see if we could receive a letter/email of support from your department before we proceed.

We would appreciate your letter by the end of the week, but if you need more time, that's no problem. Let me know if you have any questions. The syllabus and new course form are attached. Many thanks in advance!

Sincerely,

Rebecca
