Choice of Financial Management Course

The option to take FIN 3403 rather than HSA 4170 is available only to students seeking a Business Administration minor. Students choosing this option must still complete 33 credits in Health

Administration courses. They will do this by taking an additional Health Administration elective for a total of 12 elective credits rather than the standard 9 credits.

RI: Health Practicum, HSA 4817

Successful completion of RI: Health Practicum is necessary for graduation. Students taking the Practicum must:

1. Have successfully completed, i.e., earned a "C" or better, the six core courses;
2. Have a GPA of 2.5 or better in all courses taken at FAU;
3. Have completed at least 33 upper-division (3000-level or above) credits;
4. Be a Health Administration program major; and
5. Not be on academic probation.

College of Business Courses – 15 credits

ISM 3011, Management Information Systems; ECP 4530, Health Care Economics and Policy; GEB 3213, Introduction to Business Communication; and 6 additional upper-division credits of College of Business courses are required. Students must earn a grade of "C" or better in the three specified business courses: ISM 3011, ECP 4530 and GEB 3213. Students are encouraged to take courses in several Business departments.

Out-of-College Courses – 12 credits

Courses in social sciences, communication, education, science, nursing or public administration are recommended. College of Business courses may not be used.

To earn a Health Administration certificate, note the sequences below:

Healthcare Information Systems – HSA 3191, HSA 3111; Two from ISM 4381, ISM 4041, MAN 4029,

Healthcare Finance – HSA 3111, HSA 4170; Two from HSA 4109, HSA 4383, HSA 4511, RMI 3011.

Public Health – HSA 3111, HSA 4012; Two from HSA 4700, HSA 4124, HSC 4143, HSC 4581, HSC 3102, ANT 4463, ANT 4489, ANT 4532, ANT 4315, PHI 4633.

Gerontology – HSA 3111, HSA 4222, HSA 4223; one from EXP 4525, HSC 3102, PET 3361; one from SYP 3740, SOW 4643.

Gordon Rule Math and Writing Requirements are mandated by the State of Florida. The Writing Requirement states that students must complete four courses with significant writing content with grades of "C" or higher. The Math requirement states that students must earn 6 credits in mathematics (including statistics) at or above the level of college algebra with grades of "C" or higher.

Foreign Language Entry Requirement must be fulfilled by: two years of successful completion of high school foreign language, two successful semesters of a college-level foreign language, the successful completion of the CLEP exam for two semesters of the same foreign language or demonstrated proficiency in a foreign language through the Languages, Linguistics, and Comparative Literature Department.

Complete a **minimum of 120 credits** (excluding remedial and technical coursework).

An FAU **minimum GPA** of 2.5.

The University's General Education Program.
