Dear Michael,

The Health Administration program in the Department of Management Programs of the College of Business plans to start a minor/certificate program in public health. Three of your department courses are listed in this new minor/certificate, including **Environment and Disease (ANT4463)**, **Global Health and Culture (ANT 4489)**, and **Epidemics: Culture, Science, and Policy (ANT 4532)**. Would you be willing to support our new minor/certificate? I am happy to meet to provide you with more information if necessary. Attached please find the new program form and the academic requirements for the minor/certificate.

Warm regards,

Pierre

Health Administration**

Hi Pierre,

I had a chance to run this by our faculty and we think the minor and certificate look great. ESHP is happy to support and thank you for including us.

If you need anything else from me, just let me know. All the best with this program. Take Care. --Mike Z.
