Hi Yuan, looks good, changes are appropriate. I noticed a typo on the form; COP 3503 should be changed to COP 3530.

Dear Hari,

We are submitting a program change request to update the requirement of a few computer science courses for the BS in Math program, based on our recent discussions.

Could you please let me know if there are any concerns regarding this proposal?

Thank you. I would greatly appreciate if you could respond at your earliest convenience.

Wish you a great semester.

Yuan
