Hi Miguel,

I've asked the department for feedback by the end of the week. I'll reach back out after I have given the faculty a chance to consider.

Thanks,  
Craig

Dear Dr. Burnett,

Attached are the syllabi and new course forms for PUP 3032 (Honors Public Policy Process). I know this is not a class that your offer in your department, but the UUPC will want to know that we consulted with you. This is a class that Dr. Capp has already taught at the Honors College as special topics three times. The registrar, therefore, requires us to propose it as a new course. Does the Department of Political Science object to creating and offering Honors Public Policy Process at the Honors College?

Thank you,  
M
