**Subject:** no conflict with your department

Hi,

Please reply that there is no conflict with your department.

Currently the DSE course **EEX 4932 Developing Individual Education Programs** is 1 credit and taken during Student Teaching. The Department of Special Education is changing the course sequence to so that EEX 4932 will be taught earlier in sequence and will increase from 1 to 3 credits based on student request for increased knowledge on IEP data collection and practical application of content and skills. Due to changes from the state on removal of DEI courses students will still be within similar credit total with practicum and student teaching variable credit.

Cheers,  
Joe
