RE: Honors in Urban and Regional Planning and Urban Design (changes to the program)

 URP 4924 RI: Honors Urban Design Capstone (as part of the change the Program proposal)

As per the Honors Curriculum Manual, the proposal for changes to the Honors Program in Urban Design (BUD) and Urban and Regional Planning (BURP); including the request to change a course title for their URP 4976 course (Capstone) together with a new course proposal (URP 4924) directly related to the Program changes, were submitted to the College of Design and Social Inquiry Undergraduate Programs Committee. The proposal was then discussed and approved by the University Honors Council this past 23 February 2018.

We are now asking the UUPC to consider the proposal of this program and its one related course title change and new course proposal and give them approval for inclusion in the catalog. Thank you.
