Re: Catalog Change to Leadership Concentration in the Management Major

The Department of Management Programs proposes the following change to the University Catalog. We want to update the current Leadership concentration in the management major to add in the option to take either the current course offered as part of the concentration, Operations Management Applications (MAN 4504 - 3 credits), or take Service Operations (MAN 4029 – 3 credits). This is to provide more choices in the concentration.

Change From:

Management Major

A grade of "C" or better is required in all major courses.
