Program Name Concentration in Legal History		<input checked="" type="checkbox"/> New Program <input type="checkbox"/> Change Program	Effective Date (TERM & YEAR) Fall 2019
<p>Please explain the requested change(s) and offer rationale below or on an attachment</p> <p>A review of a series of exit surveys filled out by graduating seniors over the past few years shows that at least half have either applied to or intend to apply to law school. Several courses within the history major deal specifically with legal history, hence the intent of the new program is to provide undergraduates courses that will give them preparation for a legal career. The courses listed as core and elective courses will be offered regularly, so that students will have ample opportunity to complete the concentration.</p>
