Yash & Melissa - given the note from Maria Jennings, I've tweaked the proposal and sent it, along with the program change form, to Dr. Gosser Esquilin for the UHC committee meeting this Friday. I've also sent it to Barbara for her signature on the latest version.

Both are also attached for your perusal; the only differences clarify language about course enrichment. Does one of you sign this as well?

Below are the no-conflict notices I have seen. I'm not sure if any more were sent directly to Barbara.

Let me know what else we need!

Cheers,

Bryan

This does not conflict with the courses or curriculum in the ESE Department. Good luck.
