**Subject:** Re: REVISED - Leadership Minor documents (as of October 23, 2014)

I have no objections.

**Chair, Management Programs  
FAU College of Business**

For your presentation at the UUPC, please let the record show that Management Programs has no objection to the minor or these courses.

Peggy Golden

January 23, 2015

To Whom It May Concern:

The Division of Student Affairs supports the undergraduate Leadership Minor proposal submitted by the department of Educational Leadership and Research Methodology. Further, we are in support of each of the ten individual courses proposed.

The Division of Student Affairs will fund a tenure track assistant professor position and continue funding two leadership graduate assistants in support of this Minor. Further, we will continue enabling our director of Leadership Education and Development to support the Leadership Minor who is also teaching LDR 2010: Introduction to Leadership.

We believe that this minor will contribute positively to the success of our undergraduate students and we pledge our support in working with faculty in this exciting endeavor.

Thank you for your consideration.

Sincerely,

Corey King, Ed.D.  
Interim Vice President for Student Affairs
