Hi Koray and Rainer,

Sorry for the delay. There is a quite a bit of overlap of content with our courses, your course being mainly on implementation. I will not object as long as you keep it at the 2000 level, please.

Best wishes,

Nurgun

Hi Nurgun,

I am wondering if there is an update on this? Any comments/objections from your department, please?

Best,

Koray.

Good morning,

For an outreach effort to Henderson, we would like add the attached course to the catalog. Please kindly let me know if there are any concerns from your department's side.

Best,

Rainer
