Dear Dr. Graves,

I have reviewed the course change request for Exercise Physiology. I do not see any conflicts or duplication with the CSD curriculum. Consequently, I have no problem approving the change request.

With best regards,

Deena, here is the course change request. We are limiting the number of times a student can take exercise physiology. Thanks, Sue

Hi, all, Happy 4th!

We need to add prerequisites from other areas. None of our 500+ juniors and senior students can register, so we have to register most of them all by hand, which is time consuming. Would you review (see attachment) to ensure this is not a conflict with your program? Regards, Sue

I don't see any conflict or overlap with the current or proposed pre-requisites and the courses in the ESE Department.
Good luck!

Sue:

Your prerequisites do not conflict with any programs or courses in the Department of CCEI. Take care.
