 Re: Addition of Music Theatre Concentration to the BFA in Theatre Program
 Date: April 11, 2017

The Department of Theatre and Dance would like to add a new concentration to our BFA program in Theatre - Acting program: Music Theatre.

The demand for a musical theatre program continues to be a top request from both our current students and those students expressing an interest in attending FAU. Further, since the Dept. of Theatre and Dance presents a musical every summer (and occasionally during the regular school year), having courses in musical theatre would be a major benefit for our students.

Thank you.
