Dear Drs. Marcella Munson, Eric Berlatsky, Michael S. Harris, Kevin Wagner,

Because all of your departments include courses that are part of our Jewish Studies program, I am (again) writing you on behalf of Linda Johnson to give you notice of a requested program change in Jewish Studies, from having only a Certificate to having a Minor.

I have just returned from the UPC meeting, [where they informed me that a note from all affected department chairs](#) (except Ben Lowe, who already sent one) will be necessary in moving the change to a Minor along to the UUPC. I re-attach the program change form for your convenience.

I do not believe this will have any effect on your courses, except for some additional enrollment.

Thank you,

Kris Lindbeck

Dear Linda and Kris,

Just a reminder that UPC approved the changes for the Jewish Studies certificate to become a minor pending receipt of emails from affected departments (History, LLCL, English, Anthropology).

I've included the statement of support from English below. If you could compile these and send them my way I will add them to the material for UUPC.

Many thanks,
Julieann Ulin

The Department of English supports the change from a certificate to a minor in Jewish Studies for the reasons outlined in the New/Change Program Request form.

Sorry for the delay, I had to email the department and wait for any responses.

The Department of Political Science has no objection to the proposed change.

A note from all affected department chairs is necessary to move this forward to the UUPC, and yours are the departments which have not yet replied. I re-attach the program change form for your convenience.
