Subject: Request for Course Approval

Tamara,

The Marketing Department is proposing a new course titled MAR 4916: Directed Independent Study in Marketing. One of the prerequisites is QMB 3600. The new course, MAR 4916, is akin to the directed independent study course that our department and other departments already has on the books. The new course is being offered to increase undergraduate marketing research opportunities enabling students to better qualify for graduate admissions and for top employment opportunities. In keeping with the University policy of asking affected departments, I request your assessment of the new course proposal.

Regards,
Allen

For the remainder of the week (Nov 3 thru 6) I need to be with my wife at her family home in Pennsylvania. I will have telephone and internet connectivity most of the time, and will not miss any class work in my online MAR6055 course. During my absence, should a "wet-ink" signature be required, Dr Allen Smith is authorized to sign in my behalf.

Sincerely,

--Jim
