 Re: Revision of catalog layout for BME
 Date: Sept 18, 2015

The Department of Music proposes a change to the layout of the university catalog listing for the Bachelor of Music Education. The adjustment moves MUE 2430 Voice Techniques from the combined instrumental and vocal requirements into the instrumental requirements; and shows the replacement option for vocalists of MVV 2601 Introduction to Vocal Pedagogy added to the vocal requirements. MVV 2601 is a more detailed version of MUE 2430 designed specifically for the vocal students and is required of vocal students in any degree. The change does not affect the degree totals for either option within the BME.

The change is shown below:
