Memorandum

To: Undergraduate Programming Committee
From: Desmond Gallant, Chair
Re: Adjustment in Credit Hours Request – TPA 2023 Lighting Design 1
Date: October 23, 2015

As originally written, TPA 2023 was an intensive, 8-week course offered concurrently with one of two other level-one Design courses (TPA 2040, Costume Design 1 or TPA 2063, Scene Design 1) and was assigned two credit hours. In order to cover the material more thoroughly as well as allowing time to offer students more practical design experience, this class is being offered as a single, full-semester course. The department requests that the credit hours awarded for successful completion be raised from two to three credit hours. Thank you.
