 SUBJECT: Reduction of required credits for THE 3952
 DATE: October 21, 2014

The Department of Theatre and Dance would like to reduce the required number of credits in **THE 3952 "Production Hour"** from six hours to five in our B.A. and B.F.A. programs. (Each class section is worth one credit hour.) The course is in place to allow the department to produce six main stage shows annually by offering students practical experience in working behind the scenes on those productions. The department's faculty and staff have determined that five hours will be more than enough to accommodate those needs.

Thank you.
