

Carlos F. Diaz, Ed.D, Professor Emeritus:

I was selected by KPH College to provide professional advice in teacher and other professional preparation to better serve the increasing immigrant population Austria was receiving at the time from Eastern Europe and the Middle East.

Major activities included lectures to undergraduate and graduate students at KPH College and the University of Vienna. I also consulted with faculty regarding curriculum changes to better meet the needs of the changing population. Finally, I submitted an analysis of KPH College practices and curriculum to the KPH administration and sent a copy to the Fulbright office in Washington D.C.
